

EAST KOOTENAY  
INVASIVE SPECIES  
COUNCIL

## Membership Application

The **East Kootenay Invasive Species Council** (EKISC) is a registered non-profit Society consisting of a wide range of representatives from various sectors.

**The mission of the Society is to mitigate the negative environmental, social and economic impacts of invasive species.**

**The EKISC's objective is to coordinate an integrated invasive management program on all lands in the East Kootenay region, through the development of partnerships and support of all stakeholders.**

By applying for membership, you agree to uphold the Constitution and you endorse the intent and objective of the EKISC and thereby agree to uphold and espouse them. Members agree to participate in the EKISC, in whatever capacity they are able, and help build and contribute constructively to a cooperative, regional invasive plant management program in the East Kootenay. Members are likewise expected to encourage other potential parties and individuals to work towards successful implementation of this program over time.

Membership is free but will be forfeited on failing to attend 3 consecutive annual meetings.

Nothing in this **Application for Membership** obligates signatories to contribute financially to the EKISC.
